Music Video:

In the realm of music, where self-promotion is the key to success, **DDM** combines the most progressive and innovative techniques to design your own high quality music video. Whether it is revealing the raw showmanship of your live performances, or producing creative/experimental narratives that lend a visual voice to your music, **DDM** specializes in capturing the foundation that separates your band from the rest. We'll work with you from concept to finish and commit to making you a masterpiece.

Live Footage Montage: \$795.00

This is a popular package, which allows your band the chance to critique your own live performance, and get a glimpse of your show from your audience's point of view. You have the opportunity to have static, or an action driven multi-angle setup, or both.

- >Up to 2 hours of high quality digital video recording on location.
- >*Professional cameramen documenting live.
- >Complete professional digital Post-Production editing.
- >DVD with welcome screen. (Welcome screen photo/style of your choice)

*Additional cameraman available for live footage montage at the rate of **\$295.00**.

Live Footage Music Video: \$2195.00

This package allows your band the means to visually showcase your most distinctive song as it is cut together with footage from your live show. All action will be meticulously synced and edited to perfection. Generally, we are permitted to have advanced access to the venue stage before the actual show. This allows for greater access and spectacular shots.

- >High quality live digital video recording on location.
- >*One hour pre-show, multi-angle shot sequence.
- >Dual coverage: Two professional cameramen documenting live and pre-show.
- >Completely synced professional digital Post-Production editing.
- >DVD with welcome screen. (Welcome screen photo/style of your choice)

*Pre-show documentation must be arranged with venue ahead of time. If the venue does not agree, documentation of a second live performance may be substituted.

Narrative Music Video: From \$2995.00 and up*

This package is the mother of all music video packages. This package is intensely designed to convey your song's exclusive flavor in a creative and expressive approach. Based from a unified idea, we will design a stylized cinematic music video that can distinguish and promote your band's unique qualities, and establish a creative companion to your song.

- >Complete professional Pre-Production package. (Concept Design, Treatment, Script, Storyboard, Shooting Schedule, locations, permits)
- >High quality digital video recording on location.
- >Dual coverage: Two professional cameramen.
- >Complete professional digital Post-Production editing.
- >DVD with welcome screen. (Welcome screen photo/style of your choice)

Personal Documentary:

The personal documentary is a priceless approach to pass on someone's life recollections or achievements. It is a reflection of one's life memories, stories, and adventures. Everyone has stories to tell and messages to express. As we all know, our past stories

and memories are definitions of who we are and who we have become. Through a combination of pictures, video, and memories, we will help tell your story, and give those you love a glimpse at who you are. A personal documentary is a precious gift that can be treasured for generations to come.

The Tribute: \$1295.00-\$2295.00*

The Tribute package is designed to accommodate any budget and request. The package is based on your design, and can be personally customized with additional features to fit your special requests.

- > Digital integration of up to 50 photographs/30 min personal footage/Combination.
- >Up to 5 minutes of video taped interviews.
- >Up to 5 minutes voice over recording.
- >Digital opening and closing titles.
- >DVD copy with title screen.

The Legacy: \$2495.00 - 3795.00*

The Legacy is a package that resembles most Discovery Channel type documentaries or biographies. This package incorporates more materials than The Tribute, and is designed for those who have a lot of pictures and wonderful stories to tell. This package can also be customized with additional features to fit your special requests.

- >Digital integration of up to 100 photographs/60 min personal footage/Combination.
- >Up to 30 minutes of video taped interviews.
- >Up to 15 minutes voice over recording.
- >Digital opening and closing titles.
- >DVD copy with title screen.

**A 50% non-refundable deposit must be made when a date is reserved. You may make payments at anytime up to two weeks prior to the shooting date. However, the package must be paid in full two weeks prior to the shoot. Please allow up to 8 weeks for project completion.*

We offer a wide variety of services at competitive rates. We can essentially “Do it all.” Let us know how we can provide you with quality service, preserve your priceless memories, and bring your dreams to life!
